Information

About the Programme

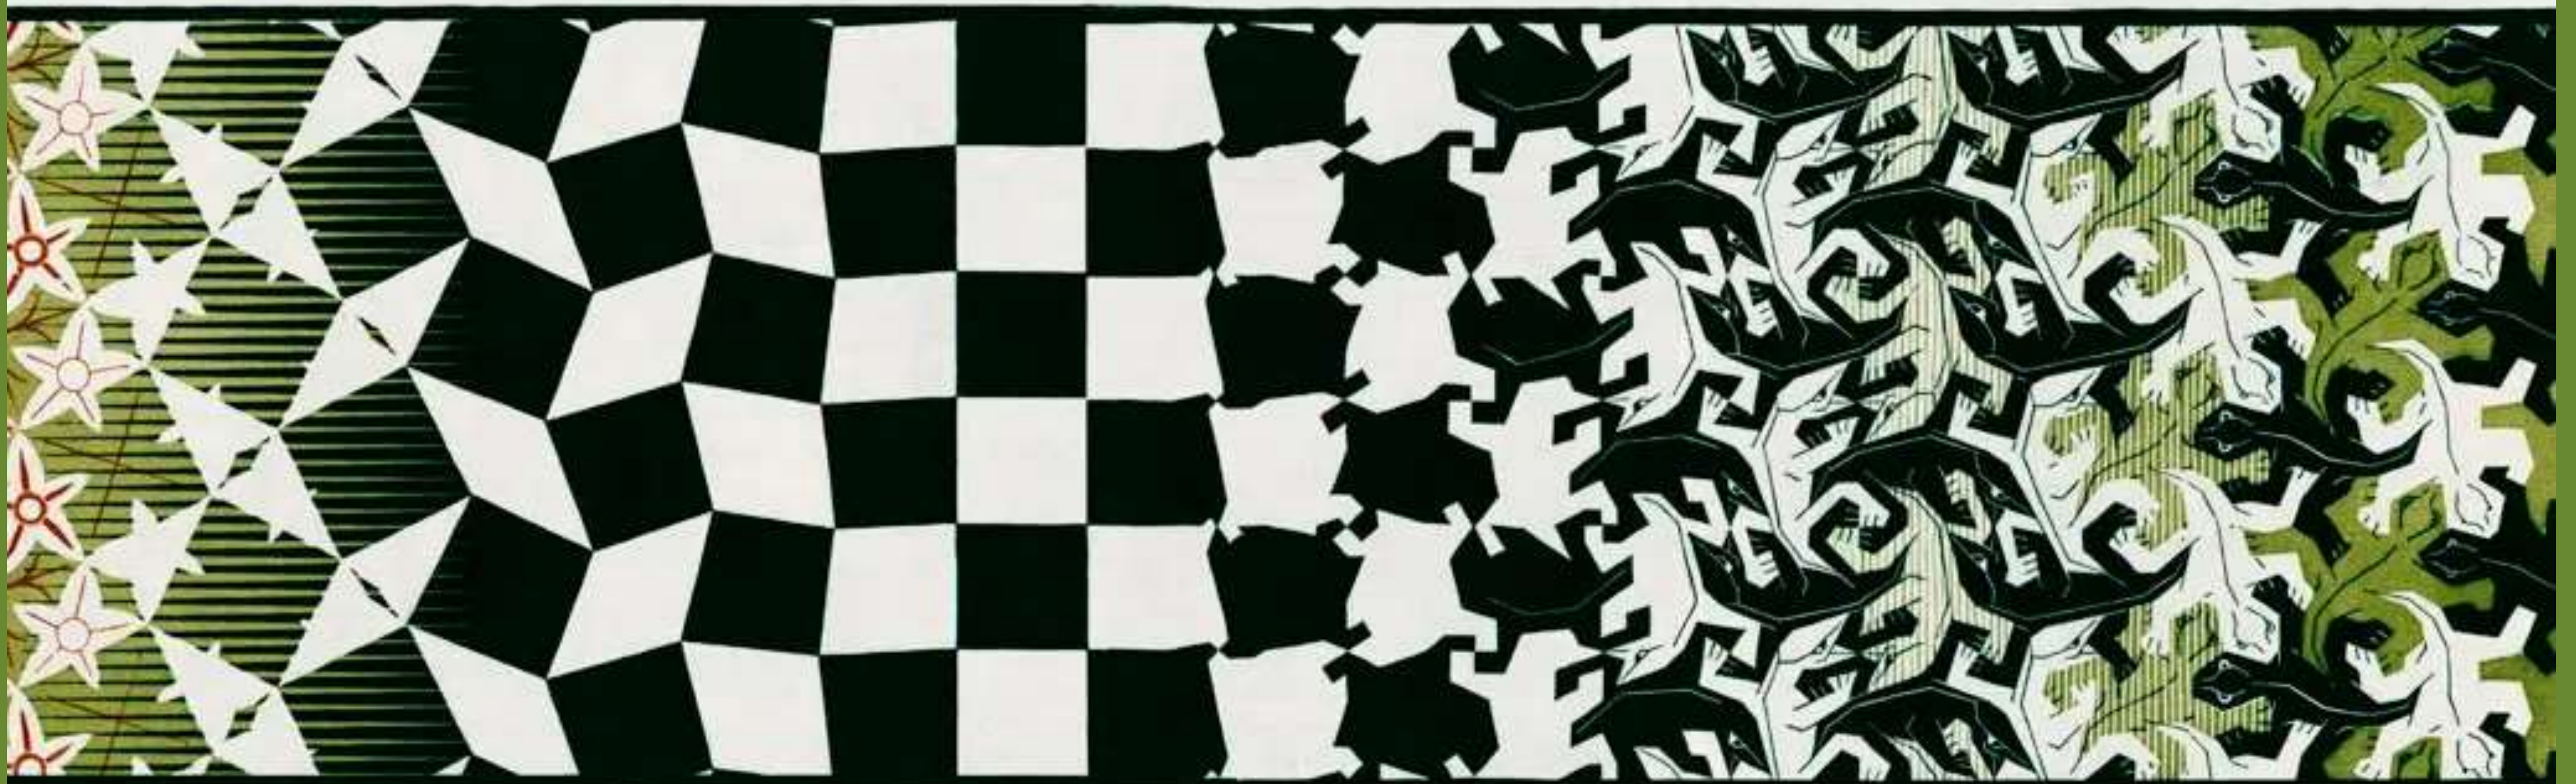

The Master of Arts in Philosophy is an innovative programme that bridges Eastern and Western traditions in philosophy. It combines rigorous theoretical inquiry into knowledge, methods, and practices with their application to contemporary technological, ethical, economic, and social challenges.

Why choose our MA in Philosophy?

- ◆ A truly international team of professors
- ◆ Small, interactive classes
- ◆ Individual mentorship and research supervision
- ◆ Opportunities for student exchange programs abroad
- ◆ Regular guest lectures by leading scholars

Curriculum

- Duration of Study: 2 years
- Medium of Instruction:
English/Chinese
- Total Credits: 30
- 6 Compulsory courses (18 credits)
- 2 Required Elective Courses (6 credits)
- Project Report (6 credits)
